

ACADEMIC COMMUNITY SERVICE LEARNING PLAN

Student and Course Information

Student Name	Student ID
Course Code	Course Director

Learning site

Site Name	Supervisor
-----------	------------

Beginning your Placement

Summarize the task that you have been given by your partner organization. What do you have to achieve?

Explain the goals that you have for this experience. For example:

- a) What are your academic goals?
- b) What skills would you like to gain?
- c) How will you meet your goals through the tasks given to you by your partner organization?

Concluding your Placement

How did your goals change? Did anything surprise you?
